Developing Yourself for Managerial Excellence

Leaders often undermine the power they have to make a change. By paying attention to our personal growth, we can deepen our impact as leaders. In the program - "**Developing Yourself For Managerial Excellence**", you will learn the importance of self leadership and use a variety of tools to support that development. With the winning strategies of self management, power of emotional intelligence, effective decision making and a 360 degree relationship matrix, you will be able to identify challenges, improve relationships thereby achieve personal and professional goals.

OBJECTIVES

The purpose of the training programme is to enable the participants to:

- Adopt winning strategies for personal growth and professional excellence.
- Identify a high-level personal goal and make an action plan to achieve it.
- Develop skills to manage self and lead others.
- Manage 360 degree relationships at workplace to enhance performance.
